Kings County ARES DMR Net Control Script

This is **<Your Callsign>**. The Kings County ARES DMR Net will be held at 10AM on this frequency. Stations listening are invited to check into the net, and stations wishing to make a call are requested to do so now.

This is **<Your Callsign>** standing by.

(At 10AM)

Good morning and welcome to the Kings County ARES DMR Net. This is **<Your Callsign>**, net control station for the Kings County Amateur Radio Emergency Service DMR Net this morning.

My name is **<Your Name>,** and I am located in the _____ section of Brooklyn.

This net meets every Sunday morning at 10:00 AM local time, through the generous facilities of the KB2RNI repeater. The purpose of this net is to introduce members to the many facets of Digital Mobile Radio and handle announcements of interest to the ARES community.

This is an informal or FREE net. The role of Net Control is to simply facilitate a round table discussion about whatever topic the group wishes to cover. The purpose of this net is to provide practice in net operations and handle announcements of interest to the ARES community.

All stations when checking- in please use the following format: Give my call **<Your Callsign>**, let the carrier drop to insure that you are not doubling with another station, and then give your call, name and approximate location.

(7) This is **<Your Callsign>**, net control for the Kings County ARES DMR net. I will now proceed with check- ins for the net.

(8) Any and all stations with a technician or higher-class license, please call net control **<Your Callsign>**.

   (When no more stations check-in, continue with script)

(9) I would like to recognize the following stations that have checked in:
